Trebbiano frizzante (Organic)

Easy drinking lightly sparkling semi-dry white wine that we love to have at the start of lunch or dinner at our on-site restaurant Torre del Marino.

HARVEST: After a careful evaluation of the maturity of the clusters, our grapes are picked during the end of August and beginning of September.

VINIFICATION: After the pressing the must goes through a primary fermentation at controlled temperature in order to preserve the delicate aromas and fruity characteristic of Trebbiano. The must is racked and separated from the sediment. Effervescence is accomplished using the Martinotti-Charmat method in order to give the wine the typical, fine, and persistent carbonation as well as a fresh and appetizing bouquet.

TASTING NOTES: Pale straw-yellow color with fine effervescence. Pleasant, delicate and slightly citrus bouquet with notes of white fruits and mouth watering acidity combines with a mineral finish. Perfectly sparkling and refreshing.
